## **Celebrating 40 Years!**

We're celebrating a big birthday in 2025. In 1985, Meri Meri Founder and Director Meredithe Stuart-Smith started the brand in California, crafting cards at home with other mothers. Now based in Cheltenham, UK, Meri Meri is a trendsetting global partyware brand sold in over 80 countries and more than 5,000 stores. We are truly thrilled to celebrate our 40th year with you, our cherished customers. We have plenty of fun activities and events planned for the year ahead - stay tuned!

Everyday 2025 is filled with exciting new themes to suit all ages and interests. Our new collection with Liberty features eight of its classic prints in a selection of beautiful home products and gifts that epitomise the Meri Meri spirit. Sure to be a bestselling range. Elsewhere, from oversized floral garlands perfect for bridal showers to our adorable Camping Adventures collection that brings the wonder of kids' camps to the party table – you'll be spoiled for choice!

## We Care

We are committed to doing our best for the environment. Wherever possible, we use papers and wood-based materials from responsibly managed forests. Our commercially compostable range is dyed with water-based ink and certified by the Biodegradable Product Institute. Plus, we require third-party social audits from all our supply partners to ensure they act in an ethical and responsible manner.

We continuously evaluate our products, focusing on more durable materials. Our reusable tableware collection grows with new melamine pieces made to endure party after party. Fabric decor and paper garlands are designed for reuse, easily returning to their boxes for future celebrations.

Our knitted toys and baby accessories are made with organic cotton - keepsakes that can be passed down. Our product team is always researching new materials and technologies as they become available. We constantly look for ways to reduce packaging sizes to align with our ethos of creating high-quality products that live on beyond the party.
